## WHERE DOES YOUR CHOCOLATE COME FROM?

*What are you doing to use ethical cocoa in your products?*

*Please take a moment to tell us:*

1. How many of your chocolate products use ethically sourced cocoa certified by organizations such as Fairtrade International, Rainforest Alliance, UTZ?
2. What are you doing to use ethical cocoa in your products?
3. What challenges do you face in purchasing ethically sourced cocoa?

*World Vision is helping Canadians know more about how chocolate companies are making their products ethical, including free from child labour. Please email your responses to [worldvisionvoices@worldvision.ca](mailto:worldvisionvoices@worldvision.ca).*
